CHALK BOARD FLOWERS INSTALLATION INSTRUCTIONS

INCLUDED:

- 1 - CHALK BOARD FLOWER
- 2 - 3/8 X 1 3/4 BUTTON HEAD SOCKET SCREW
- 2 - 3/8 NYLON LOCK NUT
- 4 - 3/8 STAINLESS STEEL WASHERS
- 2 - 4 INCH PLASTIC WASHERS

DIRECTIONS

Placing the assembled flower on the chain link fence drill one hole in the flower away from the chalkboard in top right corner. Then using the 3/8 button head socket screw, insert it into the hole and then on the other side of the flower and fence put on the screw the 2 - 3/8 washer, 1 plastic washer and a 3/8 lock nut. It will be loose at this point. Then level the flower and drill 7/16 hole in the left top corner of flower and repeat the sets with hardware as before. Now tighten one side the washer should pinch the chain link fence, tighten. Then go to the other bolt and level then also tighten it to finish securing the flower snugly.

For Brick Wall. We do not supply concrete anchoring. You can buy at any local hardware store. Follow the drilling instructions for the size hardware you have purchased. Then anchor to the wall through your holes with your hardware. Level if necessary before anchoring the 2nd bolt.
