

## SportsPlay Modular Playgrounds for Parks, Schools, Churches, HOA's Apartment Complexes, and YOU!

**The right size. The right options.  
The right colors. ALL at the right price!**

SportsPlay Equipment leads the way in value-priced modular playgrounds. There is something for everyone and every budget. Whether you are looking for "Value" 3-1/2" or want "Mega" 5" OD steel posts, SportsPlay's modular play structures offer clampless construction for ease of installation. There are 25+ "catalog" standard models from which to choose—but complete customization with YOUR CHOICE of playground colors, components, dimensions, and price options are LIMITLESS! And ADA compliance options are plentiful with a full range of fun-for-all ground events.

Please refer to the SportsPlay print catalog or website [www.sportsplayinc.com](http://www.sportsplayinc.com) for more information. All models shown are available in either 3-1/2" or 5" OD steel post design. SportsPlay modular playgrounds will be made in colors shown in catalog, unless specified. NO extra charge to customize powder coat steel posts and plastic slides, roofs, and crawl tunnels.

NOTE: Some plastics colors are non-returnable and require longer lead time.

# SportsPlay is the industry leader in modular playground selection and value pricing!

Playground decks are 12 gauge punched steel. Factory installed threaded rivet nuts for secure deck mounting. Direct bolt component bracket with rubber gasket and self-tapping tamper resistant torx screws. Posts are 13 gauge steel with a zinc rich interior, corrosion protection coating, and triple coat protection on exterior.

Here are some of the best-selling modular playground products from SportsPlay:
