

### ACCESSIBILITY MATTERS

InCord is making play accessible and fun for everyone. The durable, all-welded construction of the Original Freedom Glider provides an experience that, up until now, has not been available for parks, schools, senior homes, or agencies accommodating people in wheelchairs.

The Freedom Glider is the latest innovation in play that gives maximum independence to users of all abilities.

- Access for entire wheelchair
- Welded construction
- Self-propel option
- Variety of color options

Arrives fully assembled.

### STAY INCLUSIVE

Make your park, playground, or recreation area more welcoming. The Freedom Glider is a positive structural addition and meets ASTM F1487.

Self-propel option.

## FAST SHIPPING

InCord has Freedom Gliders in stock now. Special order lead time is only 3 weeks. The Freedom Glider also arrives fully assembled, so your site can be more accessible than ever and your visitors can be gliding in no time.

Available in single or side-by-side.
