

NetPlay Spinner Series

# Tower Carousel

Item #20.01.150S

## Description

Bring fun to the playground with the Tower Carousel. This vertical rope design and spinner feature consists of a canister style basket with a Bird's Nest floor. The cascading ropes create the overall shapes with a central ring providing further robustness. Children can climb up, over, and into the basket. Once inside, other children can spin them around. The enclosed design gives riders a greater level of safety as they spin.

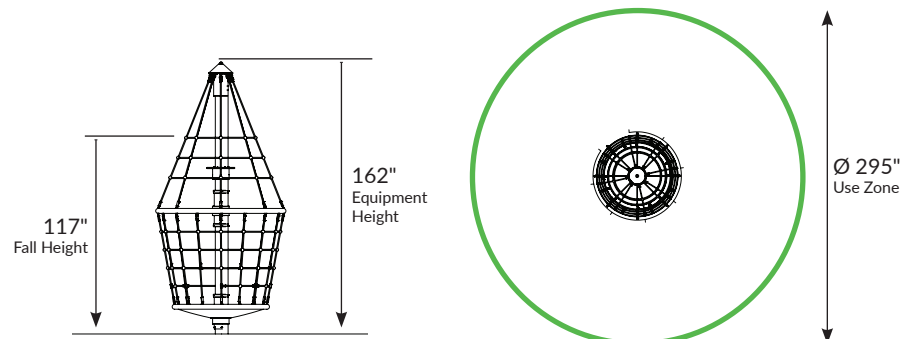

The Spinner Series develops balance, strength, imagination, and social development. As a single attraction or the highlight of every playground, this freestanding play equipment provides fun for a range of different age groups. Constructed with steel and polyester, this spinner is sure to last.
