

# Vario Spider Web

Item #4591-30-8

## Description

Easy to install playground equipment for schoolyards or public playgrounds. NetPlay Vario Spider Web offers children playtime fun and an opportunity to work on their fine motor skills. Incorporate with other elements to create a unique recreational course.

Posts available in steel or Robinia wood. Robinia wood posts provide a natural-looking alternative to painted steel posts.

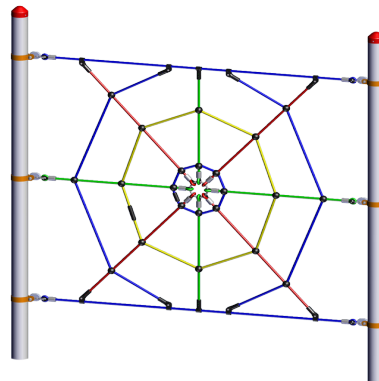

## Features

- Maintenance-friendly, easy to install
- Can be used as a free-standing element or part of an adventure course
- Constructed with Netform™, a steel-reinforced rope with polyester braid, comfort-grip surface
- Steel or Robinia posts are sold separately
