

# Four Times a Climber Installation

## STEP: 1

Attach the two halves of the overhead ladder together using four (4) M10\*70 bolts and four (4) M10 lock nuts.

## STEP: 2

See general installation guide regarding footing information for the climber support post. Using four (4) M10\*70 bolt and four (4) M10 lock nut, attach the four climber supports to the overhead ladder.

# Four Times a Climber Installation

## STEP: 3

See general installation guide regarding footing information for the climbers posts

Attach each climber to the overhead ladder using two (2) M10\*70 bolts and two (2) M10 lock nuts. Repeat for each climber.
